June 8th at 11 a.m. sounds great. I'm fine with us talking first. If we believe it should be elevated after our discussion, then we can discuss how to proceed. But if you prefer inviting Rich, I'm OK with that as well. Look forward to talking with you. Thank you.

Ron

June 8 works. How about 11am? I may include Lily since she worked on the letter, but I am back to my position as Section Chief, so I am your primary management contact now.

However, If you think your concern needs to be elevated within the Superfund program, I can invite Rich Hiatt who has started his stint as acting Assistant Director.

Thank you,

Dana

I was going to suggest exactly that. Are you available on June 8th (anytime other than 1 p.m. – 3 p.m.) or June 9th? I'm assuming you will want to invite Lily as well. Thank you.

Dear Mr. Halsey,

Attached please find a letter regarding the Leviathan Mine Site Remedial Investigation/ Feasibility Study (RI/FS) schedule. In this letter, we outline an path forward to documenting our mutual concurrence on a schedule to have a final RI/FS by June 30, 2019.

I am currently on travel meeting with the Washoe Tribe of Nevada and California's Chairman for a site tour. I understand that Brian Johnson will also be attending this event. I am happy to discuss this letter with him in more detail and I will follow up with you when I return early next week.

Sincerely,

Dana Barton
